There will be ample time for discussion and debate over the course of the two days.

IBCI Conference 2016

The Irish Building Control Institute is pleased to present the IBCI Building Control Conference, 2016. The Conference will afford an opportunity for those involved in Building Control throughout Ireland to network with their colleagues and receive an update on current developments.

The Conference will be held over two days in the **Radisson Blu Hotel, Sligo**. Lunch and refreshments will be provided on both days, with the Conference Dinner on the Wednesday evening. A Trade Exhibition will also be held in conjunction with the Conference.

The focus with this Conference is on the changes in the Building Control System and the Building Regulations and developments in the past year.

Day 1 morning session will include an update on the Building Control legislation/Regulations, on the BCMS and implications for LA's of SI 365 of 2015. After lunch the latest changes in the Building Regulations will be discussed, and liability issues on the working of the new building control system.

After Coffee the session will commence with short slots for the Trade Exhibitors (1 hour max) followed by the return of the popular Soapbox.

Day 2 commences with a presentation on mandatory sound testing methods for dwellings.

Day 2 concludes with Part L related talk on Passive Houses and a presentation on developments in Fire Safety

IBCI CPD Certificates will be available.
